Raquel Sánchez

Lifestyle in Switzerland, sharing practical tips, culture, and family-friendly plans for the expat community. My account stands out for its fast organic growth and a highly engaged audience.

Services & Collaborations

Partial Channel Management (In-House Content Creator):

Regular creation of visual content (Reels, TikToks, and high-quality photography) ready to be published on your official social media channels. An outsourced recurring content creation format designed to energize your platforms, following the successful model of accounts such as @Baselswitzerland.

Full Social Media Management & Content Design:

Development and execution of a monthly content plan. Strategy, editing, and publishing to ensure a consistent, professional presence aligned with your business objectives.

Visibility Actions (Native Advertising):

Strategic promotion and exposure of your services, hotels, activities, or events through my community at @desdesuizasinprisa, directly connecting your brand with both local residents and the expat community in Switzerland.
